Tournament Information

DONOSTI CUP - SAN SEBASTIAN/SPAIN

In 2021, approximately 700 teams will participate. That makes this tournament one of the biggest tournaments in Southern Europe. The Donosti Cup tournament headquarters are located in and around the Estadio Anoeta, the stadium of Real Sociedad. Many of the games are played at the official training complex for Real Sociedad with 4 grass fields, a small stadium and 1 artificial grass field. San Sebastian is a beautiful city in the Northern part of Spain located at the Bay of Biscay.

Donosti Cup facts:

- 600+ international youth soccer teams
- Guaranteed minimum 4 matches per team
- The Opening Ceremony of the tournament takes place in Estadio Anoeta, the home stadium of La Liga team Real Sociedad.

Touristic information:

- San Sebastian: On the banks of the Bay of Biscay and surrounded by green mountains, San Sebastian is a delightful city that provides a feast for the senses. The best-known image of San Sebastián is its almost perfectly shell-shaped bay, widely considered to be one of the most beautiful in the world. The city is home to 180,000 people and is the cultural and tourist capital of the Basque Country. The city has beautiful constructions, such as the Grand Casino (present Town Hall), the Miramar Palace, summer residence of the Court, or the bridges over the Urumea River. The houses of the Old Quarter, full of bars and restaurants, date from previous times. In the Old Quarter, the local passion for gastronomy is palpable. From the miniature cuisine of the 'pintxos' to the restaurants of the creative cuisine masters, good eating is one of Donostia's commandments.
- Biarritz – France: Make a trip to this popular and lively beach resort town on the Atlantic coast in southwest France which is about a 45-minute drive from San Sebastian.

For more information about the tournament including age groups, rules and regulations and more touristic information please visit the tournament website:

Touristic information Barcelona

Barcelona is the capital city of the autonomous community of Catalonia in Spain, as well as the country's second most populous municipality, with a population of 1.6 million within city limits. It is the largest metropolis on the Mediterranean Sea. Barcelona has a rich cultural heritage and is today an important cultural center and a major tourist destination. Particularly renowned are the architectural works of Antoni Gaudí and Lluís Domènech i Montaner, which have been designated UNESCO World Heritage Sites. Barcelona is also home to two top pro clubs in Spain, FC Barcelona and RCD Espanyol.

CAMP NOU: Visit the Home of Barcelona FC, the away team changing room and the players' tunnel, the dugouts, the press room, commentators box and of course the Museum. The Museum is the most modern football museum thanks to its interactive wall spaces, large scale audiovisual displays and an extensive display of objects to explain the history of FC Barcelona and understand the values that make Barça "més que un club" -- " more than a club".

SAGRADA FAMILIA: The unfinished Cathedral by Gaudi, The expiatory church of La Sagrada Família is a work on a grand scale which was begun on 19 March 1882 from a project by the diocesan architect, Francisco de Paula del Villar (1828-1901). At the end of 1883 Gaudí was commissioned to carry on the works, a task which he did not abandon until his death in 1926. Since then different architects have continued the work after his original idea.

MONTSERRAT: Montserrat is a multi-peaked mountain located near the city of Barcelona. It is well known as the site of the Benedictine abbey, Santa Maria de Montserrat, which hosts the Virgin of Montserrat sanctuary and which is identified by some with the location of the Holy Grail in Arthurian myth. The mountain is composed of strikingly pink conglomerate, a form of sedimentary rock. Montserrat is Spain's first National Park.

CASTELL DE MONTJUIC: Barcelona's Montjuïc is a broad shallow hill to the southwest of the city center. The eastern side of the hill is almost a sheer cliff, giving it a commanding view over the city's harbor immediately below. The top of the hill (a height of 184,8 m) was the site of several fortifications, the latest of which the Castle of Montjuïc remains today. The fortress largely dates from the 17th century, with 18th-century additions. It served as a prison, often holding political prisoners, until the time of General Franco. The castle was also the site of numerous executions. On different occasions during the Spanish Civil War, both Nationalists and Republicans were executed there, each at the time when the site was held by their opponents. The Catalan nationalist leader Lluís Companys i Jover was also executed there in 1940, having been extradited to the Franco government by the Nazis.

LA RAMBLA & BOQUERIA MARKET: This busy street is just for pedestrians and is lined with outdoor markets, shops, restaurants and cafes. La Boqueria is a large public market in the Ciutat Vella district of Barcelona, and one of the city's foremost tourist landmarks, with an entrance from La Rambla, not far from the Liceu, Barcelona's opera house. The market has a very diverse selection of goods.
