The entire structure is 135 meters (443 ft.) tall and the wheel has a diameter of 120 meters (394 ft.). It is the tallest Ferris wheel in Europe. Includes 30-minute rotation, Samsung interactive capsule guides, entry to 4D cinema experience.

TOWER OF LONDON: The massive White Tower is a typical example of Norman military architecture, whose influence was felt throughout the kingdom. It was built on the Thames by William the Conqueror to protect London and assert his power. The Tower of London – an imposing fortress with many layers of history, which has become one of the symbols of royalty – was built around the White Tower.

WINDSOR CASTLE: A visit to the Castle includes the State Apartments, St George's Chapel and Queen Mary's Dolls' House. Windsor Castle is a royal residence at Windsor in the English county of Berkshire. The castle is notable for its long association with the British royal family and for its architecture.

HAMPTON COURT PALACE: Hampton Court Palace is a royal palace in the London Borough of Richmond upon Thames, Greater London, in the historic county of Middlesex; it has not been inhabited by the British Royal Family since the 18th century.

LONDON DUNGEONS: The London Dungeon is a London tourist attraction which recreates various gory and macabre historical events in a gallows humor style aimed at younger audiences. It uses a mixture of live actors, special effects and rides.

HARRY POTTER TOUR: People the world-over have been enchanted by the Harry Potter films for over a decade. The wonderful special effects and amazing creatures have made this iconic series beloved to both young and old – and now, for the first time, the doors are open for everyone at the studio where it first began. You'll have the chance to go behind-the-scenes and see many things the camera never showed. From breathtakingly detailed sets to stunning costumes, props and animatronics, Warner Bros. Studio Tour London provides a unique showcase of the extraordinary British artistry, technology and talent that went into making the most successful film series of all time.

Touristic information Paris

LE LOUVRE MUSEUM: The Louvre or Louvre Museum is one of the world's largest museums and a historic monument. Nearly 35,000 objects from prehistory to the 21st century are exhibited over an area of 60,600 square meters (652,300 square feet). With more than 8 million visitors each year, the Louvre is the world's most visited museum

EIFFEL TOWER: The Eiffel Tower is an iron lattice tower located on the Champ de Mars in Paris. It was named after the engineer Gustave Eiffel, whose company designed and built the tower. Erected in 1889 as the entrance arch to the 1889 World's Fair, it has become both a global cultural icon of France and one of the most recognizable structures in the world. The tower is the tallest structure in Paris.

CHATEAU DE VERSAILLES: The Palace of Versailles is a royal château in Versailles in the Île-de-France region of France. Court of Versailles was the center of political power in France from 1682, when Louis XIV moved from Paris, until the royal family was forced to return to the capital in October 1789 after the beginning of the French Revolution. Versailles is therefore famous not only as a building, but as a symbol of the system of absolute monarchy of the Ancient Régime. In order to get the most of your day in Versailles, we advise you to arrive when the Estate opens. Your visit must be made on the date indicated on the ticket.

CHAMPS ELYSEES AND ARC DE TRIOMPHE: Possibly the most famous road in the world, Champs Elysées is a picturesque tree lined avenue that runs from the Arc de Triomphe towards the Louvre. It is an incredibly romantic place and a real symbol of Paris and France. The Arc de Triomphe is a stunning war monument that was commissioned by Napoleon in 1806 to honor his great victories.

CATACOMBS OF PARIS: Through an in-depth path, the visitors discover the area thoroughly, like Décure's sculptures, the quarries footbath, the Sacellum Crypt, the sepulchral lamp and Gilbert's tomb. The Catacombs of Paris are underground ossuaries in Paris, France which hold the remains of over six million people in a small part of the ancient Mines of Paris tunnel network. Located south of the former city gate "Barrière d'Enfer" (Gate of Hell) beneath Rue de la Tombe-Issoire, the ossuary was founded when city officials were faced with two simultaneous problems: a series of cave-ins starting in 1774 and overflowing cemeteries, particularly Saint Innocents. Booking must be made 8 weeks in advance.
